The Kmart Generic Savings Prescription Program covers up to the quantity specified for each eligible drug. Most quantities are based on a course of therapy at commonly prescribed dosages. Prices for greater than the specified quantity are prorated based on the price listed for each drug. Enrollment in the Kmart 90 Day Generics Program is required to receive the Prescription Program price. Only eligible drugs will be covered. List may change and vary by state at any given time. Kmart reserves the right to modify or discontinue this program or modify the terms and conditions of this program at any time without notice.
